Qualifying Improvements

- All projects must improve energy efficiency.
- Renewable energy is allowed if accompanied by energy efficiency measures.
- Terms available up to 15 years or the end of a project's useful life.

100% Financing Available

Cash Flow Positive Financing Options - For many municipalities, energy upgrades will immediately lower their monthly energy costs and will often exceed their finance payment.

Stay Liquid - Save cash for your core operations. Budget for a fixed monthly payment.

Stay Flexible - NEIF financing coexists with existing or new debt.

From NEIF, a B Corporation™, certified to meet the highest standards of compliance & fair lending practices.

Supported by the Pennsylvania Energy Development Authority (PEDA)'s Pennsylvania Energy Accelerator Program.

Lending is administered by National Energy Improvement Fund (NEIF), a Pennsylvania-based B Corporation™, certified to meet the highest standards of compliance and fair lending.

Local Government Unit Debt Act Approval

The borrower must provide NEIF with a copy of the proceedings submitted to, as well as the approval from, the Pennsylvania Department of Community and Economic Development ("DCED") stating that the debt to be incurred by the borrower, or by any local government unit guaranteeing its debt, in connection with the project funding is approved under the Local Government Unit Debt Act ("LGUDA"), 53 Pa.C.S. § 8001 et seq. The loan cannot be closed without prior approval by DCED. More information about the LGUDA approval requirements and process can be found on DCED's website at <http://dced.pa.gov/local-government-unit-debt-act-lguda> and questions should be directed to DCED at RA-DCLGUDA@pa.gov or (717) 783-8452.
